About the Company

▶ MBA7 For Trading Services is a privately owned company registered in the Republic of Sudan with certificate number (125988). Founded in 2019, we have a sister company in Turkey and offer a range of products and services to organizations. Our highly experienced personnel and management team provide a strong platform for our constant growth and development.

▶ Since our establishment in 2019, MBA7 has been a fast-growing business with a dedicated and well-qualified team. We are an innovative private business based in Khartoum, Sudan, and have quickly emerged as a reliable supplier for organizations in need of professional services. Our team uses smart techniques to ensure that our clients receive the highest quality products and services at competitive prices

Our Mission and Vision

Briefly elaborate on what you want to discuss.

Mission

At MBA7, our mission is to create and offer high-quality products and services to our clients, customers, partners, suppliers, and all stakeholders. We are committed to achieving this through our highly qualified professional team and by valuing our human resources. We also care about our social responsibility to our society, environment, and our beloved country.

Vision

Our vision at MBA7 is to contribute to building Sudan by being a leader in providing high-quality products and services to organizations. We strive to play a vital role in the development of our country's economy by delivering innovative solutions and creating long-term partnerships with our clients and stakeholders11:44

Our Goals

Goal # 1

Expand our product and service offerings to meet the needs of our clients and stakeholders.

Goal # 2

PRODUCTS WITH A PURPOSE

- We design, develop and supply products with a purpose of improving lives of those affected by disasters and conflicts. We keep the needs of our beneficiaries at the heart of our product development process whilst supporting the acceleration of the sustainable development goals.
- We believe sustainable business makes smart business. We aim to achieve strong economic, social and environmental results, looking beyond short-term gains. Our industry requires a long-term vision and true supplier commitment to ensure new products are developed in response to tomorrow's challenges, yet answering to today's unpredictable demand. To emphasize our sense of duty to conduct responsible business, we align our objectives with the Sustainable Development Goals (SDGs) and are committed to community and charitable activities through our company foundation.

WE NEVER STAND STILL

- We work hand in hand with our clients, suppliers and beneficiaries in order to design new solutions and to continually improve our existing products. We are proud that we were the leader supplier to offer affordable and fully solutions of products and services matching with needs & requirements to the humanitarian community
